Will this website ever have complete episodes to download
No it wont. Comedy Central wants you to actually tune in to see the shows, that's why we only give clips. There are plenty of other fine places where you can download episodes in full. Kazza.com, Limewire.com, or Morpheus.com

At the end of "Here Comes the Neighborhood", they pull Kenny's dead body on a sled. Is it supposed to be an unexplained death, or did something actually happen?
That is an unexplained death. When Matt and Trey were making that episode they didn't want to deal with coming up with a Kenny death, so they just threw him on a sled, dead. I was told that the scene was one of the last scenes made because Trey was avoiding it so much. When it came time to do the scene, all Trey said was "Just put a dead Kenny on the sled that the kids are carrying, and lets not say why!"

I was surprised that in the last FAQ you recommended downloading episodes on KaZaa and other file sharers. What are Matt and Trey's official stances on South Park episode piracy?
Matt and Trey do not mind when fans download their episodes off the Internet; they feel that it's good when people watch the show no matter how they do it.

I would like to know why Cartmans voice is different from the first couple of seasons? Was it changed on purpose?
Cartman's voice has changed not on purpose, but just because the show has evolved. If you pay attention, all the boys' voices have changed (except perhaps, Kenny's). Things like this happen all the time with cartoon show like this. For example, Hank Hill's voice from "King of the Hill" has changed over the years from a sort of low grumble, to something more understandable.

Has there been any news on the air date/release date for the progect that Matt and Trey are working on (Team America)?
There is still no news about the dates of Team America. We'll keep you posted.

Hello, I am one of the Canadian's that you were making fun of for getting so angry at your comments. I just wanted to say that the last comment you made to me made me laugh so hard, that I realized that all you're doing is messing with people in good humor. I apologize if I seemed out of order, I hadn't had my snack time. :) Thanks again!
No problem, it's good to know that you Canadians have a sense of humor after all. :)

Some of the fire effects are really realistic, how do you do that in a cartoon like South Park?
South Park is made in a really awesome program called MAYA. It is created by a company named Alias/Wavefront. The program is responsible for movies like Final Fantasy: The Spirits Within, and most Final Fantasy movie clips from the SquareSoft video game series. It's capable of doing super cool things, and obviously, pretty crappy things. When things like fire and portholes to hell need to be created and look cool, it's really easy for it to be made in MAYA.

Does Trey or Matt ever look at the BBS and read what their crazy fans are saying about them?
I know for sure that Matt reads the BBS a lot. I'm almost positive that Trey has too. One of the biggest users from the office (besides me) is Eric Stough, Director of Animation. He always checks the BBS after premiers!

MONDAY, AUGUST 11, 2003
When are the South Park Episodes going to be out on VHS?
Most of the South Park seasons have already been released on VHS volumes. Please check amazon.com for more information, or comedycentral.com/store

Someone offered me a South Park DVD today called South Park Winterland. I was told it is a new south park film. Were they just trying to con me or is there really a new film out that I don't know about?
They're just trying to con you. "Winter Wonderland" is a collection of A Very Crappy Christmas, Are you there God? It's me Jesus, Cartman's silly hate crime 2000 and Something you can do with your finger. http://www.amazon.com/exec/ obidos/tg/detail/-/B0000505DN/ qid=1060896200/sr=8-5/ref=sr_8_5/ 102-7668703-2481705?v=glance&s=dvd&n= 507846

Comedy Central picks all the re-runs during the down season.

Do they make South Park bedspreads?
The best way to find items like these are in online auctions. Check out ebay.com for more news.

WEDNESDAY, AUGUST 20, 2003
I heard that South Park Season 3 will be on DVD soon. Will Trey and Matt be doing Audio Commentary for the episodes?
We still do not know when season three will be coming out. I am sure there will be no commentary on the discs as well. If there is any news to confirm this, I will post it; everything else is up in the air.

WEDNESDAY, AUGUST 20, 2003
Have you ever "got it on" with Matt or Trey?
No, Matt and Trey are too busy getting it on with the thousands and thousands of hot young women who come to the office every day to serve them up a hot cup of love. (I'm kidding for those of you going WHOA!)

WEDNESDAY, AUGUST 20, 2003
Was that really George Clooney in the Big Gay Al episode? How did you get him to do the show when still pretty new?
Actually, Matt and Trey kind of owe the success of South Park to George. When their first short movie "The Spirit of Christmas: Jesus Vs. Frosty" was being passed around the Internet, George had gotten a copy of it, called them up, and paid them to make a new one. "The Spirit of Christmas: Jesus Vs. Santa" was born.

WEDNESDAY, AUGUST 20, 2003
Are Matt and Trey going to make fun of the up and coming election with AHHHHHHNOLD? Those of you who don't vote for him... big mistake!
Matt and Trey have been out of the office working on "Team America" for the time being, I haven't heard any gripes or jokes aimed at Ahhnold, or any other canidate in the ReCallifornia.

THURSDAY, AUGUST 21, 2003
Why do you perpetuate false truths such as this? Q: Was that really George Clooney in the Big Gay Al episode? How did you get him to do the show when still pretty new? A: Actually, Matt and Trey kind of owe the success of South Park to George. When their first short movie "The Spirit of Christmas: Jesus Vs. Frosty" was being passed around the Internet, George had gotten a copy of it, called them up, and paid them to make a new one. "The Spirit of Christmas: Jesus Vs. Santa" was born.
This is a true story. It is not a so called "false truth." Oh, and by the way... how can something be a false truth anyhow? Can we say oxymoron? I think this person has his/her panties in a bunch. God, I love it when people waste their energy on hating me ((evil grin #432))!

THURSDAY, AUGUST 21, 2003
Since Matt & Trey thinks it's cool with people being able to download episodes through the internet, does that make it legal to put them up on my own server?
No, putting up episodes on your server is not legal, unless of course you have the express written consent of Comedy Central.

THURSDAY, AUGUST 21, 2003
When does the new season come out?
New episodes of South Park will air October 22nd 2003 with eight new episodes.

THURSDAY, AUGUST 21, 2003
What does the side of Officer Barbrady's patrol car say?
"To patronize and annoy."

FRIDAY, AUGUST 22, 2003
Why isn't there any video downloads for "chickenpox?" That's the best episode!
When Southparkstudios.com first launched, we had taken various files for South Park from many sites, mainly Comedycentral.com and beef-cake.com (beef-cake.com was the largest fan ran South Park site on the net at the time, when SPS.com launched the owner of beef-cake and Matt Stone decided to take it down). Over the years I've been trying to get those downloads updated to at least five per episode, but it's been difficult due to program changes, and production.

MONDAY, AUGUST 25, 2003
Why does your banner say "All New Episodes Coming in October?" Dude, they're not that new anymore they just havn't been on tv yet...I downloaded them all in like...May.
WOW! You must have downloaded them from the magical psychic server because the episodes airing in October haven't even been scripted yet... can I have the URL?

MONDAY, AUGUST 25, 2003
Is there any place to get Beers jerseys or those cool beer mug helmets in BASEketball?
Many items from the movie BASEketball are being sold on ebay.com auctions as I type.

MONDAY, AUGUST 25, 2003
Have you thought about a second movie of South Park?
Trey and Matt have thought of making another South Park movie once before. All they had to do was remember how much of a pain in the ass the last one was to make and they stop thinking about it! They hope to make another one some day, but so far there are no plans to do so.

MONDAY, AUGUST 25, 2003
Do yo buy or accept story ideas?
No, Matt and Trey used to read them but so many people sent in such huge numbers it got too hard to read them all. Then there are the legal issues of accepting outside material. Since the very beginning Matt and Trey have written their own episodes without fan interaction.

MONDAY, AUGUST 25, 2003
When will the "Bart of War" be replayed? I cannot find that epsiode listed or available for download anywhere.

Perhaps it's because you're searching for a Simpsons Site, this is a South Park site, and "The Bart of War" is an episode of the Simpsons. :)

THURSDAY, AUGUST 28, 2003
I think your show is funny, but how did you attract such a stupid audience?
Many people think that South Park is just funny because the boys curse, and say naughty things. They don't understand it's more than just curse words. South Park is both crude and insightful, unfortunatly when they're 13 and stoned most of the time, they just don't get it.

THURSDAY, AUGUST 28, 2003
Why do I have to download the top ten FAQs? What if I don't have Adobe PDF?
We decided to make the top ten FAQs downloadable because many people wrote in asking why I haven't changed the FAQs in forever, turns out they were just reading the top ten and not looking further down. Removing them from the header and making them downloadable cleaned up the FAQ board. If you don't have Adobe PDF just click the link at the top of this page and get it. The program is free, and many people use PDFs.

THURSDAY, AUGUST 28, 2003
Why was Chris (Satan's EX) sent to Hell?
We have no idea, they never talked about that in the episode. Many things that aren't explained in the show are usually left unexplained. Matt and Trey's goal usually is to toally confuse it's audience.

THURSDAY, AUGUST 28, 2003
Why can't I use the BBS as a chatroom? Isn't that what it's for, to chat?
No, the BBS is not a chatroom. The BBS is a discussion board where topics have some sort of conversation going on. Threads like "I want to talk to User2343" are lame, and annoy the users. Keep it off the board, that is what our chatroom is for, and why we enabled the Private Message (PM) system on it.
